About Me

I'm Amina Liaquat. I'm currently pursuing my MS in Computer Science at the University of Agriculture, Faisalabad. I'm learning how to code. I love making and designing webpages with HTML and CSS (and sometimes JavaScript). It's fun to code something that anyone on the web can easily see. I also enjoy programming in JavaScript and Python because they challenge me more. I love it when I can finally solve a difficult problem.

Education

University of Agriculture Faisalabad

Jan 2024 – Dec 2025

MS in Computer Science

- CGPA: 3.2 / 4.0

Government College University, Faisalabad

Sep 2019 – Oct 2023
